International Global Solutions, Corp. Celebrated as Vendor of the Month for June 2025

INDIANAPOLIS – On Thursday, May 29, 2025, the Office of Minority and Women Business Development (OMWBD) Director, David Fredricks and Indianapolis City-County Councilor Jesse Brown named [International Global Solutions, Corp.](#) (IGS), a certified Minority Business Enterprise (MBE) with the City of Indianapolis as the Vendor of the Month for June 2025.

“This recognition is a testament to the hard work and dedication of the entire IGS team, who strive every day to deliver excellence and impact in the communities we serve,” said Clarence Lyles, President of International Global Solutions, Corp. “As a small and diverse business owner of 18 years headquartered here in this great city, it means a great deal to be acknowledged by our hometown for doing what we love—building relationships, creating opportunities, and driving progress. Above all, my greatest honor is being able to provide employment to our citizens—supporting families, fueling dreams, and strengthening the communities we proudly call home.”

Led by President Clarence Lyles, International Global Solutions, Corp. was established in 2007. The company specializes in network infrastructure, telecommunications services, and client optimization. As a solutions provider, International Global Solutions, Corp. works closely with clients to enhance customer service, data management, and staffing capabilities in efficient and innovative ways.

ISG is guided by a mission to deliver value through integrated solutions and continuous improvement, driving cost savings and efficiency for every client. Its dedication to achieving high-quality, sustainable results for clients has allowed the company to grow significantly over the past 18 years. IGS has expanded its footprint to three locations across the United States, with offices in Indiana, Kentucky, Texas, and Virginia.

As the company has expanded, its influence has followed suit. ISG is partnered with several world-class manufacturers, including Cisco, Honeywell, Hewlett-Packard, and several more. IGS also strives to make an impact on the communities in which it works, engaging in philanthropy and volunteerism.

“International Global Solutions, Corp. consistently raises the bar with their commitment to helping companies achieve success, delivering high-quality solutions that optimize success for clients across Indianapolis and beyond”, said David Fredricks, Director of the City of Indianapolis Office of

Minority and Women Business Development. “We are proud to recognize their achievements and look forward to their continued contributions to our city’s growth and prosperity.”

OMWBD is honored to recognize International Global Solutions, Corp. for its outstanding service as a solutions provider and community business leader.
