# Marion County Youth Services Center

## Digital Transformation of Juvenile Center

Note: We are thrilled to present a glimpse of our work through the linked screenshots and links! Please keep in mind that these visuals showcase only a fraction of our efforts. The reality of our achievements is far more extensive and impactful than what you see here. We're proud of the comprehensive work and innovative solutions that have gone into this project.

### Reception

Entrance and Lobby of the  
Marion County Youth  
Services Center.

## Courtroom

This is one of two juvenile courtrooms located in the Youth Services Center.

## Crestron Device

These touchscreens allow judges, attorneys, and court staff to manage audio and video equipment, including cameras, microphones, and video displays.

## Docket System

Interactive lobby and courtroom directories sync with Youth Center and Court calendars to provide a seamless wayfinding experience.

## Bizstream Mobile Devices

SSO resident case management system and family portal provides security resident interaction and promotes active family involvement.

## Instructional Office/ Meeting Room

Instructional Office and Fully functional meeting room that accommodates virtual meetings and staff collaboration.

## YSC classrooms

Interactive classroom featuring 86" video board and 1:1 devices with an eight-student capacity keep students aligned with Indianapolis Public Schools' graduation requirements.

## Learning Kiosks

Interactive Learning Kiosks provide interactive educational opportunities.

## Access Control

Milestone security cameras ensure safe observation for building entrances and exits. The facility features 700+ cameras used to flag crowding, door-held events, and blind-spot loitering in real time.
