

## PUBLIC NOTICE OF PLANNED IMPROVEMENT

Thoroughfare Drainage Improvements Program Area 3 Project No. SD-22-102

Posting Date: 8/03/2023

In compliance with the Construction Stormwater General Permit (CGSP) administered by the Indiana Department of Environmental Management (IDEM), Commonwealth Engineers, Inc. (7256 Company Dr, Indianapolis, IN 46237) is submitting a Notice of Intent to the Indiana Department of Environmental Management of our intent to comply with the requirements of 327 IAC 15-5 to discharge storm water from construction activities associated with the Thoroughfare Drainage Improvements Program Area 3 Project No. SD-22-102.

Project improvements include the improvement of existing drainage and road infrastructure along Shadeland Avenue from Kensington Drive up to 52nd Street. The same improvements will be done along Masters Road from Challenge Lane to 96th Street. There will also be ADA curb ramp improvements along these roads within these sections.

Estimated construction time is from August 2023 to December 2024. A Notice of Intent (NOI) will be submitted to IDEM with the intent to discharge stormwater from construction activities.

In addition to the Municipal Separate Storm Sewer System (MS4), runoff for the project will discharge into Pogue's Run and Behner Brook.
