

PUBLIC OPEN HOUSE: ST-26-054 Two-Way Conversion of Michigan Street & New York Street (College Avenue to Ellenberger Park)

Thursday, November 4, 2021 | 6-8 p.m.

John H. Boner Neighborhood Center, 2236 E 10th St, Indianapolis, IN 46201

Join Indy DPW and IndyGo to learn more about the proposed two-way conversion of Michigan and New York Streets between College Avenue, Emerson Avenue and North Ellenberger Park coming in 2023. The two-way conversion of both streets will feature improvements to existing sidewalks, curbs and ADA ramps, crosswalk and railroad enhancements as well as street resurfacing. These upgrades will increase safety and improve community access for residents, commuters, transit riders, pedestrians and bicyclists on the city's Near Eastside. Construction should begin in Spring 2023 with completion expected in late Summer 2024.

Masks are required inside the John H. Boner Neighborhood Center.

The open house will be held during the Near Eastside Quality of Life's Fall Summit 2021.

All Indy DPW meeting locations are accessible to persons with disabilities.
For special accommodations or more information, contact Jenelle.Bunton@indy.gov or 317-327-2311.
